Dear Mr. Alexander,

I wanted to take a minute to congratulate you on the success of Pyramid Contracting and thank you for your contributions to our state. I was pleased to hear you received your certifications through the Office of Small and Minority Business Assistance and the South Carolina Department of Transportation, and I hope this will lead to future opportunities for the Company. Small businesses are the backbone of our economy, and we are fortunate to have you in the Palmetto State. Michael and I wish you the best for continued success. God bless.

My very best,
