Dear Bobby:

I know I am one of many congratulating you and your company, Pyramid Contracting, LLC, on becoming certified with minority MBE status through the Governor's office, as well as DBE/SBE status from the SC Department of Transportation.

Since 2003, as an Indian-American owned firm, you certainly have many reasons to be proud of this certification and the many quality and beautiful construction projects completed by Pyramid. One of Pyramid's latest, successful and grand projects is the new Timberlake Country Club project complete with new amenities, including the clubhouse, parking lot, tennis courts and junior Olympic pool; all an impressive addition to your growing portfolio.

Your motto, "Built to stand the test of time" is evident in every project you undertake and I know more impressive and grand structures will soon grace our neighborhoods and communities.

Sincerely,

Chip Huggins
